

No. DE-013-64

25X1A

17 June 1964

Gentlemen:

1. This will confirm the Government's intentions to contract with [redacted] during fiscal year 1965 for services similar to those now being performed under Contract GA-1853. It is contemplated that the statement of work will be similar to that currently in being with such revisions thereto as the parties may mutually agree upon.

25X1A

2. The cost estimate submitted by [redacted] covering [redacted] operations, designated T-14309 will be the basis for negotiations between the parties. This acknowledgement of the Government's intentions to contract with [redacted] for continuation of the [redacted] is subject to the availability of fiscal year 1965 funds for this purpose.
